## Mission Statement

The Northland Association of Pharmacy Technicians (NAPT) is the professional organization representing all Pharmacy Technicians and Technicians-in-Training, and is an academy of the North Dakota Pharmacists Association (NDPhA).

We strive to provide leadership, continuing education, and collaboration among technicians and other providers in the healthcare industry.

Our goal is to meet the expectations of those it serves and promote Pharmacy Technicians as an integral part of the Patient Care Team, emphasizing the importance of Patient Safety.

## Looking to make a difference?

Join the  
profession of  
pharmacy by  
becoming a  
North Dakota  
Registered  
Pharmacy  
Technician

## Do you possess one or more of the following qualities?

**Northland Association of  
Pharmacy Technicians**

## Requirements to become a North Dakota Registered Pharmacy Technician

To be a North Dakota Registered Pharmacy Technician, the following requirements must be met:

- Successful completion of an academic experiential rotation program accredited by the American Society of Health Systems Pharmacists (ASHP)/accreditation council for pharmacy education (ACPE) or in a similarly accredited on-the-job self-instructional pharmacy technician study program under the supervision of a licensed pharmacist.
- Certification by a national certification body. Pharmacy Technician Certification Board (PTCB) and National Healthcareer Association (NHA) are approved certification bodies by the North Dakota Board of Pharmacy.
